

KSA NEWSLETTER

Hi campers & families,

While it's still cold outside, we are starting to think all things CAMP. We are looking forward to brighter, longer days, and we can't wait to see all of you at KSA this summer. Things have been busy for us and we are excited to update you on everything that we have been working on.

Smitty & Wayne have been busy working on our 6,000 square foot bunk & activity center. This massive space is going to be huge for us this summer and we can't wait for you to see it in person.

Mike, Resnick, & Brad have been busy recruiting and have started meeting our new campers at camp fairs in the tri-state area. Please see our events below and contact us if you are able to attend! We love when you spread the word about camp and we'd be happy to host a meet & greet in your area. If you would be interested in hosting, feel free to contact Hillary to set something up.

Mike left for Europe this week and will be attending hiring fairs all over. He is looking forward to interviewing our new staff and connecting with old staff members who will be returning. Get ready for the BEST staff ever!

Hillary has been busy keeping in touch with all of you and registering new campers. 2020 is shaping up to be our best year yet. She has also started planning our camp reunion and can't wait to see all of you there. *Check out the information below and please let us know if you can attend!*

We have started working on our camp schedule, planning inter-camp tournaments, brainstorming color war enhancements, and so much more. Camp is around the corner and we can't wait! If you haven't registered or you need assistance selecting sessions, don't hesitate to contact us.

Can't wait to see you all soon!

With love,
Hillary, Mike, & Brad

NEW IN 2020!

BUNKS & ACTIVITY CENTER

Our new bunk and activity center is coming along beautifully. We can't wait for you all to see it this summer! This new bunk allows us the opportunity to continue to grow and create an even better camp experience for your children.

On the top level we will have two separate boys bunks. The bunks will share a locker room where our campers can store all of their sports equipment and belongings. There will also be a beautiful shared bathroom with ample storage and space.

The bottom level will be our new activity center. This 3000 square foot space will host a variety of new art & media activities. We will have more details in the spring 2020 newsletter.
