Camper Spotlight: Isaac Pickrum

How has KSA helped you become a better athlete?

KSA has helped me in many ways. KSA has helped me to improve my sport skills in soccer and sprinting and to try other new sports. It prepares me for school sports and still provides a great place for me to spend my summer.

What sports do you play during the school year?

I play soccer for Junior Varsity in the fall. In the spring, I run track (100m, 200m, 110m hurdles, 4 x 100, and long jump).

What is your favorite thing about being at camp?

As many of the kids and counselors know, I spend most of my time at Lake Buel and it is my favorite place to be at camp. I also really like hanging out and socializing with my friends. It is hard to pick a favorite thing to do at camp because I enjoy everything.

What are you most looking forward to at camp in 2018?

I can't wait for camp 2018! I am excited for everything in general but I am most excited to be reunited with my friends from camp. I can't wait to meet the new kids and create new friendships like I have in the past!
